Dear Community Supporter,

The Livingston County First Responders Benevolent Fund is currently seeking sponsors and in-kind donations to help support our 2024 Annual Gala and Silent Auction benefiting Livingston County First Responders in their time of need and those that fall on hard times. We are celebrating our successful 5th gala event, with high hopes of exceeding last year's fundraising efforts!

Livingston County First Responders Benevolent Fund is a 501(c)3 non-profit organization dedicated to assisting injured, sick, disabled, or deceased first responders and their families. LCFRBF leadership includes representatives from all Livingston County first responder agencies; Sheriff's Department and Corrections, local Police, local Fire, EMS and 911, plus civilian representatives.

LCFRBF provides financial and personal support for first responders in need as a result of injury, sickness, disability, death and other extraordinary circumstances impacting them and their family. The LCFRBF is dedicated to being there for our first responders in their time of need just as they are there for us in our time of need.

Becoming a sponsor provides a great opportunity to promote your business while also helping the dedicated responders of Livingston County. We are seeking event sponsors, monetary donations, merchandise, or services that your business may be willing to donate to our cause. We accept donations of all types including gift cards or certificates, specialized merchandise and/or services including rounds of golf, vacation packages, massages, spa days, salon treatments and more.

In addition, our event has tiered sponsorship levels, if you may be interested, see the attached sponsorship levels for the 2023 Gala. All questions regarding sponsorship and donations can be directed to Rick Boisvert – Treasurer of LCFRBF and Fire Marshal of Brighton Area Fire Authority

We thank you in advance for your support,

Sincerely,

RICK BOISVERT

Fire Marshal - Brighton Area Fire Authority
